VMC/PNTA TRIAL - DAY 1

Thirty-seven riders signed up on the first day, April 29th, for the combined two day Victoria Motorcycle Club and Pacific Northwest Trials Association event at the VMC's property near Victoria. The entrants were greeted to cool, overcast weather but rain made for greasy conditions near the end of the day. A core group of VMC members had been enthusiastically preparing for the event for weeks by forming a number of sections near the parking lot with large rocks and logs. The rest were scattered throughout the club property. Riders from the mainland (yes, we live on an island) were treated to a 2 for 1, pay only for one day entry to hopefully entice more riders "from across the pond !" Twenty sections were laid out for each of the classes and most commented that they were of a high calibre. The results for the first day are as follows:-

VMC/PNTA TRIAL - DAY 2

Forty-two riders signed up for the second day, April 30th, of the VMC/PNTA trial held at the VMC property near Victoria. The weather improved considerably from the previous day with breezy but sunny skies. Riders followed the same basic loop trails but rode completely different sections which meant that the committee had to change them all after the first day. On the first day the Champ riders were unable to complete the three loops due to time constrictions but managed to finish all three loops on the second day.
